UMCOR responds to natural or civil disasters of such
magnitude that they overwhelm a community's ability to
recover on its own. Through UMCOR, United Methodists
extend loving care to people within the United States. When
disaster strikes, it is local churches that provide the first
response to their communities. This basic understanding—
that disaster response is local—forms the foundation for UMCOR's US
disaster training and response. When responding to a disaster in the United
States, UMCOR provides training, financial assistance, expertise, community
collaboration to churches and partners making them more resilient to
disasters.

If you would like to donate to UMCOR US Disaster Response and Recovery,
please make your check payable to Banning UMC, with the note
Advance #901670 in the memo and on your envelope. Thank you in
advance.
